Youth Congress demands IIT campus in State

Pioneer News Service | Bhubaneswar

Orissa Youth Congress on Monday demanded to set up an IIT campus in the State in the wake of some IITs planning to open additional campuses in other cities across the country.

Speaking to reporters here, State Congress president Rohit Pujari said the State Government should press for opening an additional campus of Kharagpur IIT in the State. Kharagpur has already announced to open an additional campus and if the State Government does not look into the matter, the campus might be opened somewhere else.

IITs are often compared to MIT and the best technical institutes of the world and an IIT campus in the State would also invite top-notch companies to open facilities and recruit technocrats here.
