- IIT-Kharagpur- to open campus in Bhubaneswar

Bhubaneswar: IIT, Kharagpur, will open its campus here to provide quality education to nearly 5,000 students in bio-science, metallurgy, mining and other subjects.

IIT-Kharagpur, director S K Dube on Saturday met Odisha Chief Minister Naveen Patnaik and apprised him about the proposal to set up the campus. The project report of the campus, he said, would be ready within a month.

Dube said the campus here will have the same strength as that of in West Bengal and would have Research Development Centre which would help in faculty upgradation to enhance the standard of engineering colleges in Odisha.

Official sources said IIT-Kharagpur had approached the Union Human Resource Development Ministry to have its two campuses in the country, one each at Kolkata and Bhubaneswar. The proposal also received the nod of the HRD Ministry.

Patnaik while welcoming the IIT campus in Bhubaneswar, said such a project would help in human resource development activities keeping in tandem with the industrial growth here.

He has directed the authority concerned to identify 300 acres of land required for the campus on the outskirts of the capital city within a 30 km radius.
