**YOU DECIDE** OTV POLL

**Dated : Wednesday, August 30, 2006**

**IIT campus in the state from the next academic session.**

Bhubaneswar: Many big players are making a bee line to Orissa for establishment of their projects in the state. Keeping in this mind, various reputed institutes are keen to set up their campus in the state. After Vedanta University, IIT Kharagpur has shown interest to establish its regular campus in the state. The board members of this premier institute have notified the Center about their decision. The authorities have informed that this will be helpful in implementing the decision of Reservation Policy of the Center. As per the new Reservation Policy of the Central Government, there is a need for an increase in the number of seats in various institutes from the next academic session. The campus at Bhubaneswar rather than Kharagpur will benefit both the IIT and the state Government.
