### Sahu hopeful of another institute

Sunday March 30 2008 07:12 IST

## ENS

BHUBANESWAR: Union Minister of State for Rural Development Chandra Sekhar Sahu has exuded confidence about the Centre sanctioning another national institute for the State.

Expressing his gratitude to Prime Minister Manmohan Singh and Union Human Resource Development Minister Arjun Singh for sanctioning two central institutes - Indian Institute of Technology and a Central University - Sahu said his request for a triple IT for the State is under active consideration of the Centre.

The UPA Government's announcement has proved Chief Minister Naveen Patnaik's allegations against the Centre wrong. The Centre is not only keen on the development of Orissa but also concerned about the development of higher education in the State.

Sahu claimed that the sanction of two central institutes was possible because of his persistent demand for an IIT in a backward but mineral-rich State like Orissa. The IIT will be established with an estimated cost of Rs 760 crore and the Central University Rs 1,000 crore.
